## Do we need a Covid Test?

Please have a look at the chart below.

### Key Rings for Pencil cases

Children have enjoyed having their own key rings on their pencil case and it makes identifying them much easier.

If your child hasn't got a key ring yet then you can still send one in.

### School Dinners and Allergy Forms

There will be a new menu from next week. A copy was sent home with the children today.

All allergy forms need to be returned even if there are no allergies to report.

### PTA AGM

The 2020 Wistanstow PTA AGM is scheduled for Thurs 17<sup>th</sup> September. To comply with new COVID regulations this is going to be short meeting with up to 6 parents outdoors at 8pm at Gillian Preece's farm (Briar Edge, Woolston, SY6 6QD). With limited fundraising opportunities and no prospect of large social activities being allowed in the near future the purpose of the meeting will be to appoint committee officers and deal with any current issues such as replacement of the shed at the village hall. If you have any comments or suggestions or would like to come to the AGM please contact Gillian (PTA Secretary) on 07974 204222 or [gillianpreece55@gmail.com](mailto:gillianpreece55@gmail.com)

## PE

PE will only take place outdoors. Be aware of the weather and if it is cold please send them with extra layers.

Key Stage 1 children get a free piece of fruit every day (Reception Years 1 and 2). Children in other year groups may like to bring a healthy snack on PE days.

### Bug Club

An information sheet about bug club has gone home with your children.

Passwords have been sent out separately. We use this online reading world throughout the school and it is an essential part of our home learning should your child be isolating or bubbles be closed.

It ensures your child has access to books at exactly the right level for them and also promotes comprehension and understanding through questions on the text through the books.

Please let us know immediately if your child has lost their password or you cannot access Bug Club at home.

### Flu Vaccination

All children in the school will be offered a Flu vaccine this year. This will be on Wedn 14<sup>th</sup> October.

## Parents' Consultation Meetings

Class teachers will be holding zoom meetings with parents about how their child/children are doing at school on Wedn 11<sup>th</sup> Nov from 1pm. *We are happy to do phone consultations instead of zoom meetings.*  
More details to follow closer to the date.
