

Wistanstow C.E. Primary School's

Bulletin 27/05/2022

Welcome

What a busy term !! Apart from all the important learning taking place, Year 6 and Year 2 have completed their end of Key Stage S.A.T.S, there has been: a school residential for year 3&4, plenty of sporting events, much rehearsing for the Shropshire Sings festival, a vintage motorbike exhibition and not to mention Jubilee Celebrations to prepare for. Please enjoy looking at a selection of photographs taken from some of these events on the pages below.

The children are very much looking forward to their well deserved half-term holiday. We wish them a safe and happy half-term break and look forward to seeing them return on Monday 6th June.

Dates for the Diary

Monday 6th June - New term begins
Wednesday 8th June - Shropshire Sings Festival
Monday 20th - Wednesday 22nd June -

JUBILEE CELEBRATIONS

What a fabulous Jubilee Celebration Day the children enjoyed this week. A Jubilee hat competition, a whole-school celebration assembly to announce the results, a church service with a hat parade, a picnic lunch with fun and laughter playing at the park or joining in with rounders and long ball competitions. Thank you to all parents, carers, family members and friends who helped the children, in any way, with making their hats. They were all truly amazing and we could see the hard work and effort that had been put in. Mrs. Hunt judged the competition and found it incredibly difficult to make a decision on the winners

Wistanstow Bike Show 2022 Thank you

We would like to say a huge **THANK YOU** to all who supported the Wistanstow Bike Show on Sunday. This event, which has not been able to run for the last three years, made an impressive return with the village hall buzzing with bikes, locals and people from the motor-biking community. It was such a great atmosphere. So many of you helped either through attending the event, baking cakes or most importantly giving up your valuable time to volunteer for a job on the day. We could not have done it without you.

The P.T.A will be in touch, in due course with details of funds raised.

School Photographs

Friday June 17th

The photographer will be in school to take individual, family group and class photographs. Although it is a swimming day and Forest School, please can you send your children in their school uniforms. They can bring appropriate clothes to change in to for their afternoon sessions.

Thank you

Sports News

All the children in Class 2 and 3 had the opportunity to enjoy a rounders and long ball competition on the field as part of the Jubilee Celebrations.

Miss Pinches said that the children all were fantastic, tried their best and showed great sportsmanship, along with demonstrating some great skills. Well done !!

Shropshire Sings Concert

Just a reminder that purchased tickets for the concert, on the 8th June, will soon be sent out. We would like to take the opportunity to thank in advance all those that are able to come and support this event. It definitely will be a lovely chance to experience the singing talents of the Wistanstow School children.

Child Exploitation in Shropshire

How to recognise if your child may be being exploited, and what you can do to help reduce the risks

What is Exploitation?

Are you concerned about changes in your child's behaviour? Have you noticed that they may be feeling under pressure from influences from outside your family home? Realising that your child could be being exploited can be distressing, but help and support is available.

Exploitation is a form of abuse, it occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child, young person or adult into any activity that results in an advantage for the perpetrator. Specific types of Exploitation include **Sexual Exploitation, Criminal Exploitation, and Financial Exploitation.**

Who does it affect?

Exploitation can happen to any young person from any background, in any part of the country - including Shropshire. The young person often isn't aware that they are a victim, as exploiters are very clever in the way they manipulate the young person into trusting them.

What are the signs?

- New friendship groups, who may be older in age
- Engaging in sexual activity, including exchanging indecent photos
- Missing episodes, when you don't know their whereabouts
- Spending less time at home and distancing from previous friends
- Receiving gifts & rewards
- Increased secretiveness
- Disengagement from school & hobbies
- Use of drugs or alcohol, perhaps without the means to afford this
- A decline in mental health, possibly becoming more aggressive
- Possession of a weapon
- Committing low level crimes

What can I do as a parent or carer?

- ☑ Discuss differences between healthy and unhealthy friendships and relationships
- ☑ Stay alert to any changes in behaviour which may indicate that they are feeling under pressure
- ☑ Carefully monitor any episodes of staying out late or not returning home
- ☑ Be aware of who they are spending time with and encourage them to keep in touch by texting you when they are out in the community
- ☑ Report them missing if you do not know where they are
- ☑ Talk openly to your child about keeping safe and listen calmly if they confide in you
- ☑ Regularly check the young person's possessions for drugs and any unexplained money or gifts
- ☑ Install online safety features and apps
- ☑ Check in with parents of their friends
- ☑ Be cautious of any older friends or friendships where there appears to be a power imbalance
- ☑ Check in with school or college to see if they have noticed any changes in behaviour
- ☑ Share your concerns with school staff or Children's Services
- ☑ Take a look at our CE Directory to find out about other support available:

Report concerns about a child

Shropshire's TREES (Together Reducing & Ending Exploitation in Shropshire) Hub are based within Children's Services. We are committed to identifying young people who are at risk of exploitation, and supporting professionals and families to reduce these risks. It is recognised that these risks are out in the community, rather than within the family home. This is what is known as **Contextual Safeguarding.**

We can offer social care support to families where appropriate, or we can signpost to another support service such as a substance misuse service, sexual abuse support service, Early Help or diversionary activities - with the aim of disrupting exploitation and reducing the risks going forward.

Report concerns about potential exploitation in your community

Intelligence about perpetrators and locations of concern is crucial to help us build up a picture of Child Exploitation in Shropshire, and allows West Mercia Police and Children's Services to work together to safeguard children and make our communities a safer place to live.
